HELP!!

BLOOD IS BEING SHED! INNOCENT BLOOD!

Atrocities are being committed in the so called
STATE OF ISRAEL

that are unheard of anywhere else in the world.

The Zionists are now digging up centuries old
Jewish grave sites in Jerusalem and removing the bones.

When religious Jews made peaceful demonstrations against this desecration, the Zionist police beat and wounded them mercilessly. Then, to punish the religious community, the government sent hundreds of soldiers to surround the religious quarter of Jerusalem and beat its inhabitants. For two consecutive days the soldiers beat elderly Jews, men, women and children.

But this was not the beginning — nor the end — of the suffering. The authentic Jewish people have always been against the establishment of a "Jewish" state, whether it be "religious" or not. Because making such a state is rebellion against the divine decree of exile and constitutes denial of their faith in the Creator and His law. Therefore the real Jewish people have never had anything to do with the Zionist state and do not recognize it. They are loyal to the governments in the countries where they reside.

Politicians, devoid of any Jewish content, have taken control of most of world Jewry, through trickery, economic pressure, and false propaganda. **The Jewish people have never**

accepted their leadership. They speak and do whatever they want in the name of the Jewish people.

Jews are suffering on account of the Zionists:

- A. By persecution at the hands of the Zionists, as we have described above, though in reality this is only a fraction of the violent persecution Jews have suffered at their hands ever since the creation of the Zionist state and prior thereto.
- B. By false impression the Zionists create in the world, that Jews and Zionists are the same. Therefore the Jewish people are held responsible for everything the Zionists do and say; for the international political problems that the Zionists create; and for the insults the Zionists hurl at heads of governments and entire nations. All of this creates anti-semitism. The Zionists also intentionally instigate anti-semitism by both secret and open means, in order to frighten Jews into fleeing to the Zionist state.

**Therefore, we cry out that Jews and Zionists are opposed to each other! —
Authentic Jews do not have anything to do with "Israel"!**

We ask every just and decent person, please recognize the truth — Take note:—

1. How the Zionists brutally desecrate that which we hold sacred.
2. How the Zionists shed the blood of elderly people, women and children (as seen on U.S. TV).
3. Hear the outcry of authentic Jewry, that it has nothing to do with the Zionist state.
4. Do not hold the Jewish people responsible for the deeds and words of the Zionists.
5. Don't recognize the Zionists as spokesmen or representative of the Jewish people.

And the Creator of the world will give every good person his just reward.
